Hello potential co-worker,

We are looking for a full time accountant.

You will be taking care of all the financial needs, such as tax declarations, financial closures and transactions.

We are a Mol based tech startup that deals with the sale of hardware and software to educational institutions.

Our main goal is to help modernize the Belgian education system and to bring it into the 21st century.

Our expectations for applicants are:

- A bachelor's degree in accounting
- Language level C1 or C2 in Dutch
- Familiarity with the financial and accounting environment
- Familiarity with computer applications and/or eager to learn
- Able to take initiative and work independently

What we offer:

- A permanent position in a stable tech startup
- An attractive salary supplemented by a number of fringe benefits
- Flexible working hours and the possibility to work from home
- A laptop and necessary software licenses
- Company paid training
- A good working atmosphere

If you are interested, please don't hesitate to send us your curriculum vitae and a motivational letter at xavier.garvelink@sjbmol.be .
